 715-246-8211**

**St Croix County
 Health & Rehab Center**

We are proud to build upon our long tradition of personal, caring service in a new facility that allows an even higher standard of home-like living, while receiving the rehabilitation services that allow a rapid and successful return to home.

**"Our Residents Don't Live in a Facility...
 We Work in Their Home"**

About Us

Our staff is committed to providing the highest quality care, treatment and rehabilitation to our residents. We don't just care for the physical needs of residents, we care for their emotional needs as well. St. Croix County Health & Rehab residents benefit from our loving, caring and committed staff .

Consistent 5 Star Rating

Rehabilitation

Our approach to rehabilitation features a true cohesive interdisciplinary rehab team including physical therapists, occupational therapists, and speech-language pathologists working together to assist patients in reaching their maximum potential. The team provides aggressive treatment protocols that have been modified to fit each individual's needs.

Orchard View Terrace

A 40 unit Assisted Living - Community Based Residential Facility upgraded to better serve the residents of St. Croix County. This facility provides services to frail elderly and residents with Alzheimer's disease and related dementias in need of some assistance with daily living skills. It is designed to enhance the quality of life, independence and community integration of our residents.
